

Saturday's All Mine

Lyrics by J A Knight

Sunday's a little bit Monday
Monday's a little bit Tuesday
Tuesday's a little bit Wednesday
Wednesday's a little bit Thursday
Thursday gets me to Friday
Friday never ends
That's because my day
Is coming up around the bend

Saturday's all mine
24 hours of time
Saturday's all mine
Move your troubles down the line

Sunday comes I'm gloomy
Monday comes I'm down
Tuesday goes right through me
Wednesday turns my head around
Thursday gets me to Friday
Friday never ends
That's because my day
Is coming up around the bend

Saturday's all mine
24 hours of time
Saturday's all mine
Move your troubles down the line

Monday Tuesday
Wednesday Thursday Friday

Saturday's all mine
24 hours of time
Saturday's all mine
Move your troubles down the line
